DISTRIBUTION REQUEST UPON DEATH

Upon my/our death, it is my/our current request to BARNABAS FOUNDATION, that the funds left to it be distributed to the charitable organization(s) listed below in the percentages or dollar amounts indicated (or in equal shares, if not specified). **This distribution request shall govern ALL funds received by BARNABAS FOUNDATION unless otherwise specified on the line below.**

Charities can be changed at any time by sending a signed written request to BARNABAS FOUNDATION. Distribution requests may be made for member organizations, other Christian organizations, and any 501(c)(3) organization with a mission that is not inconsistent with the Christian values of BARNABAS FOUNDATION. In fairness to member organizations, two percent of distribution requests to non-member organizations will be retained by BARNABAS FOUNDATION to further its mission of stewardship (*minimum amount retained is \$25 per charity; maximum amount retained is \$2,000 per charity*). A list of member organizations will be provided upon request.
