

# BE A PART OF \_\_\_\_\_ CHURCH'S DEVOTIONAL LIBRARY

*Next week Sunday, \_\_\_\_\_, we will have a table set up in the back of church where you can drop off your used devotional books (personal, couples, family—any!) and check out new ones that look interesting to you! You may borrow any devotional on the table! You may bring in your devotions at any time!*

## **THE PURPOSE:**

The purpose is to help generate more individual and family devotional time within our church and make the devotionals more easily available to you.

## **DROPPING OFF:**

When dropping off your used devotional, we ask that you:

- 1) Write your name on the inside cover before you bring it to church.
- 2) Take a sticky note and write the date that you would like your devotional brought back to church.
- 3) We ask that you simply put a library card (provided on the table) in the inside cover.

## **CHECKING OUT:**

When a devotional is being checked out, simply write your name and the date on the provided library card. It's as simple as that!

Please help! This should be easy! Please consider **bringing in** some of the devotionals you are not currently using and “**checking out**” some new ones!

**THANK YOU** for helping make this project work! If you have any questions, feel free to talk to \_\_\_\_\_ at \_\_\_\_\_ or another member of the stewardship committee.
